MY SOLID SOLUTIONS: Creating Account

Select Validate Serial number and fill out all of the information requested.

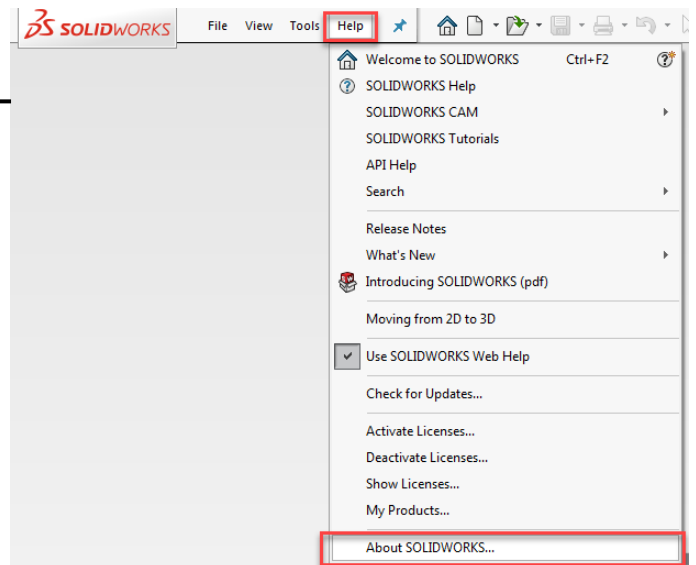

Account Validation

To access certain content you require an active SOLIDWORKS subscription. If you are seeing this message and you have an active SOLIDWORKS subscription, then your account has not validated automatically. Please fill out the form below to contact our support team who will be able to assist you in validating your account. Entering your serial number below is not essential but will help our support representative to validate your account.

The form is titled "Contact Support" and contains the following fields: First Name, Surname, Company Name, Postcode, Telephone, Email Address, and Serial Number. A green "SEND DETAILS" button is located at the bottom of the form.

If you are unsure of your serial number, you can find this within the SOLIDWORKS Application under Help > About SOLIDWORKS

Go to Page 6
